What does your contractor offer you?

You make the comparison.

	Atlas Awning	Contractor A.	Contractor B.
Showroom & Shop Location	YES - In the same location since 1972. Stop and see our showroom located near the Palm Springs Airport. We are not just a "phone number" in the yellow pages and don't work out of our garage. Consequently, you can count on us being around for repairs or additional work		
Licensed Contractor?	YES - In business since 1972, Atlas Awning has always been a licensed contractor .		
Workman's Compensation Insurance?	YES - All our employees are fully covered by Workman's Comp Insurance . To ease your mind, we take responsibility not the homeowner.		
Liability Insurance?	YES -Our umbrella policy is for \$1,000,000 for worry-free installations!		
Contracted Employees?	Not at Atlas! Our installers are employed by Atlas Awning , ensuring that you receive the quality of workmanship, which has been our trademark for over thirty years.		
Patio Cover Warranty	The best in the business. Amerimax, the originator of Alumawood, offers a written, limited lifetime material warranty - don't settle for inferior products		
Use of Major Credit Cards	We accept Visa, MasterCard, and Discover . Many customers use their cards for reward points.		
Release of Materials and Labor	Concerned about a lawsuit from unpaid contracted laborers? We offer a Release of Labor and Materials form even though we use our own employees.		
Additional Insurance?	At Atlas Awning, all of our vehicles and our employee's vehicles are insured for \$1,000,000 in liability .		
Quality Workmanship with pride	For over thirty years, Atlas Awning has provided quality workmanship unsurpassed by any awning company in the desert. We pride ourselves not only on a job well done, but we leave each and every customer glad they chose Atlas as their contractor. Just ask any one of our thousands of customers!		

"Customer Satisfaction is our business"

"The bitterness of poor quality remains long after the sweetness of low price is gone"
